I apologize for any inconvenience, but I had to rearrange my schedule for later this week and will be traveling on Friday. While I still could make at least part of the call, I would much prefer to reschedule. Would you be able to participate in a call on Monday November 18 at the same time (1:00 pm Eastern, 10:00 am Pacific)? If not, could you be available for a call on Tuesday November 19 after 3:00 pm Eastern, 12:00 pm Pacific)? Please let me know at your earliest convenience. If moving the call is not practical, I will try to make it work.

Thank you for your consideration.
